OFFICE OF THE DEPUTY CHIEF OF STAFF, INTELLIGENCE

26 October, 1956

Lieutenant General C. P. Cabell
Acting Director
Central Intelligence Agency
2430 E Street, N. W.
Washington 25, D. C.

Dear General Cabell:

General Partridge and I have both been absent from the headquarters almost continuously since the receipt of your letter of 4 October accepting the invitation for the IAC to visit here on 1-2 November. I am afraid that the note of acknowledgment which should have gone out immediately has not gone out and I would like to take this opportunity to tell you that the dates proposed are entirely satisfactory and General Partridge is looking forward very much to your visit.

I am inclosing a copy of the agenda for the briefing on 2 November. You will note that in the afternoon a period is set up for a discussion. This will take place in our Indications Center, and it is at this time that General Partridge will wish to discuss with you and the other IAC members matters of all security classification.

Arrangements have been made by General Partridge to entertain you and the members of the group at an informal dinner on the evening of the second. Further information on all arrangements will be given you at the time of your arrival. We are looking forward very much to your visit and hope that it will be possible for both you and Mr. Dulles to make the trip.

Sincerely,

1 Incl
